Dear Nursing School Official:

On behalf of the Alabama Public Health Association, Inc., I am pleased to inform you of the Ruth Harrell Nursing Scholarship awarded annually by our professional association. The mission of our organization is to:

A. Link individuals and organizations in addressing public health issues;

B. Advocate public health policy;

C. Support education of its members and the public on public health issues; and

D. Enhance the ability of its members to promote and protest personal, environmental, and community health.

The amount of the scholarship is $3,000 and is awarded to an AIPHA member who has been accepted in a Registered Nursing program. The scholarship will be awarded to a deserving student at our annual educational conference in April, 2020. The student fee for membership is $5.00 annually. I have enclosed a copy of the scholarship application form and an AIPHA membership application. The form should be completed, along with two letters of recommendation, membership application and fee and returned to the address located on the bottom of the application form by February 15, 2020. Applications postmarked after this date will not be considered.

Also, enclosed is an application for the AIPHA Educational Scholarship. The amount of the scholarship is $1,500 and is awarded to an AIPHA member who is in pursuit of a Bachelors, Masters or Doctorate degree that is related to health care.
